PRICE-LIST OF Salem Branch Nursery

(ON MARBLEHEAD ROAD)

HARLAN P. KELSEY, Owner
285 Essex St., SALEM, MASS.

Hardy American Plants

Rhododendrons, Azaleas,
Kalmias, Evergreen Trees
and Shrubs and Hardy
Herbaceous Perennials

This Nursery is a Branch of my Highlands Nursery
100 acres) in the Carolina Mountains (3,800 feet elevation),
where this stock is grown in large quantities in a climate and soil
peculiarly adapted to producing well-formed absolutely hardy
specimens of our choicest Native American Ornamentals.

At Salem Branch it is only possible to keep a **limited stock**
of specimens, and for direct shipments. Prices at my Highlands
Nursery are, of course, somewhat lower. Specially selected
specimens will always be charged for accordingly.

A general collection of stock of the choicest selection is
offered from Salem Branch in addition to my Hardy American
Plants. Dealing with the leading nurseries here and abroad my
facilities for supplying the best at low prices is unexcelled.

A Beautifully Illustrated Catalogue of Highlands Nursery
will be mailed on request. Over 600 species listed.

Shipments in Car Lots of Rhododendrons, etc., direct from
Highlands Nursery or from **Salem Branch** so far as the more
limited stock at latter Nursery will allow.

Prices are consistent with quality of stock offered, which is
of the best. Cheap stock is costly at any price.

Landscape Department. Visits gladly made for consulta-
tion and advice, to make surveys, and designs and planting plans.
Entire construction, planting and carrying out of Landscape work
of all kinds undertaken, and charges will be found reasonable.

Visitors always welcome at my Nurseries or office. Every
place has its own peculiar problems and a discussion of details
may prove helpful in unexpected ways.

Always address
